Unfinished Business:

A. Construction update

1. HVAC

Mr. Calgi stated that he did not have an Executive Summary Report to hand out since the project is almost complete. Inshallah will be installing the reheat coil for the Community Room in the boiler room and all the associated piping and hookups. Inshallah will continue to work on the punch list items and should be completed
with this project a week from this Friday, February 10, 2017. Mr. Calgi stated that Inshallah will be putting in the flex hose above the Circulation Desk. They submitted a proposal for $2,000. Dorian DeLaurentis, the Project Manager, negotiated the price, so there will not be an additional charge.

2. Quiet Study Room and Eatery

Mr. Calgi stated that a walk through took place today reviewing the placement of the temporary wall layouts and partitions, which will begin to go up Friday and Monday. Crossroads Construction Company has filed the necessary documentation with the State for the asbestos abatement, and we are waiting on a start date. Once the asbestos abatement is completed, construction will continue. Mrs. Reed stated that the Library needs notice if we need to close for the asbestos abatement. Mr. Calgi will keep the Library updated regarding the abatement. The Board decided on the color selections for the Quiet Study Room and Eatery.

3. Book Lift

Mrs. Reed stated that the work has started on the book lift. The motor has been removed and is being rebuilt. She is waiting on a date for them to bring the motor back on sight.

B. Homebound

Mrs. Reed stated that the library staff delivers books to the homes of people who are not able to come to the library themselves. As this service continues to grow, there are more people asking for homebound service. The library does not have any guidelines to follow and there are safety concerns for the staff. Mrs. Reed questioned the history of allowing staff to enter these homes as a service to the patrons. The Board concluded that it is at the discretion and comfort level of each staff member whether or not they enter the homes. She would like the Board to know that we are re-evaluating the home bound service process. Mrs. Reed stated that she would like Mr. Truncalle, Library Attorney to review the guidelines once they are created.

B. System Developments:

1. Member Library Director meeting on Wednesday, January 18, 2017

Mrs. Reed stated that one of the key points made at that the MLD meeting was regarding membership of NYLA (New York Library Association.) It was stated that Nassau County has one of the least numbers of libraries with Institutional Memberships in the state. Jackie Threscher is discussing group pricing for the Nassau County libraries with NYLA.

Mrs. Reed recommends that the Levittown Public Library pay the Institutional cost when the official group rate becomes available.

New Business:

A. Proposed 2017-2018 Budget

Mrs. Reed stated that she did not have an updated proposed 2017-2018 Budget tonight because she was waiting for the Audit Report from Mr. Coster, the Library Auditor. She will use his findings to adjust the budget.
B. Non-District Class Visits

Mrs. Reed stated that the number of class visits in the Innovation Station have been increasing and going extremely well. There has been an issue with a group, not in the district, who bring too many students to the Innovation Station at one time without setting up a class visit. There are no guidelines for non-district class visits for the staff to follow. The policy does state that Levittown residents get preference for use. One of the gentlemen that work for this group has also requested to reserve the computer lab for 3 hours for 15 students on Friday. The policy states that the computer lab is on a first come first serve basis but Mrs. Reed informed him she would discuss this with the Board for consideration. The Board stated that the Policy for the Computer Lab will remain unchanged. Mrs. Reed will revise the policy for the Innovation Station and send it to Mr. Truncale, Library Attorney for his advice and bring it back to the Board for their review.
